We have in the last two years changed our catering and refrigeration service contractor to Catercare at Stadium MK home to MK Dons Football Club and Doubletree by Hilton Milton Keynes.

I have found Catercare to give a fast, efficient, and reliable service which is dedicated in giving you confidence that there technicians have the knowledge in rectifying your issue and to get your equipment up and running according to the needs of the business.

I have found Lawrence and his team courteous and will always give you the time to explain things and give that personal touch that you are being looked after, makes all the difference.
