Dear Mr Tierney,

Re Deep clean of School Kitchen and associated duct work

We have returned to school after the Summer break to find our kitchen clean and sparkling. Our Catering Manager, John Hughes, and the two Kitchen Assistants, Vera da Silva and Pauline Carlisle, are very impressed with the high standard of cleanliness achieved and that is from a team that prides itself on keeping a very clean kitchen on a day to day basis. Thank you to your company for the effort on this occasion.

Yours sincerely

Mrs Jane Jones
School Business Manager
